Dear Vijay,

Happy to inform you that we have started work with BUA&T Banda for the first time, Banda University of Agriculture and Technology Banda is 250km from Lucknow towards south –west corner near MP border.

In this university we have good contacts in each and every department. This university conducting good research for pulses, oilseed, rice, wheat and vegetable crops. Here, in this university we can do good number of bio- efficacy trials for insecticides sucking & leps, foliar diseases and herbicides. Today I received the consent for TTP+SPT 240SC in cabbage from the BUA&T- Banda, at present they are charging only Rs. 4.0 lakh for both year.

Dear sir,

Greetings from the BUAT

This has reference of your letter dated 27.07.2020 regarding proposal for "evaluation of Tetraniiprole 40 + Spirotetramat 80 SC (Vayego care 120 SC) in cabbage against DBM and Spodoptera (*Plutella & Spodoptera*)". We would like to express our sincere thanks for your interest to conduct collaborative research with our University. The competent authority of this University is pleased to grant his kind consent for evaluation of precious molecule formation 'Vayego care 120 SC' developed by your esteemed Firm. The testing charge @ Rs. 2.0 per product per season has been approved by the University and accordingly, Rs. 4.0 lakh has to be borne for testing above mentioned product for two seasons. The competent authority is also kind enough to constitute a team involving following faculty members to carry out the above mentioned project:

Hi Sir,

Good morning!

I am writing this mail to receive the acknowledgement for payment done from Belgium.

We paid Rs 3,00,000 from Belgium towards GranuPotasse trial on Onion. (Probably reflected in comptroller's A/c a week ago, mostly on 09.11.2021)

Copied DR and PI of the project for their information.

Kindly acknowledge on receipt of money for the trial.

Thank you
