Greetings from

Banda University of Agriculture and Technology, Banda

Prof. S.V.S. Raju

It gives me immense pleasure to address all stakeholders through the Directorate of Training and Placement. At BUAT, we remain steadfast in our mission to nurture competent professionals who not only excel in their fields but also contribute meaningfully to society.

The Directorate of Training and Placement plays a pivotal role in bridging the academic and professional worlds. Through rigorous training programs, dynamic industry collaborations, and focused career counselling, the Directorate equips our students with the skills, knowledge, and confidence to excel in an ever-evolving global environment. These initiatives empower our graduates to meet the challenges of the modern workplace and seize opportunities with resilience and adaptability.

I extend my heartfelt gratitude to our esteemed recruiters and industry partners for recognizing the potential of our students and fostering a long-standing association with our institution. Your support motivates us to continuously elevate our standards of academic and professional excellence.

To our students, I encourage you to fully utilize the resources and guidance provided by the Directorate. Take charge of your future with determination and purpose, and remain open to learning and growth throughout your journey.

Together, let us strive to build an ecosystem that not only supports career success but also inspires innovation and societal progress. I wish the Directorate, our students, faculty, and industry partners continued success in all future endeavors.

Warm regards,
Prof. S.V.S. Raju
Vice-Chancellor

Dear Students, Faculty Members, and Esteemed Recruiters

Greetings from the Directorate of Training and Placement, Banda University of Agriculture and Technology, Banda!

It is a matter of immense pride to represent a university dedicated to nurturing talent and driving excellence in the field of agriculture. At BUAT, our mission is to empower students with the knowledge, skills, and confidence required to excel in their careers while making meaningful contributions to the agricultural sector.

The Directorate of Training and Placement is at the forefront of this mission, bridging the gap between academia and industry. Through industry-relevant training, personality development workshops, and interactions with domain experts, we ensure our students are well-equipped to meet real-world challenges and excel in their professional endeavors.

I extend my sincere gratitude to our esteemed recruiters for recognizing the capabilities of our students and building enduring partnerships with us. Your continued trust inspires us to innovate and maintain excellence in all our initiatives.

To our students, I urge you to leverage the resources and opportunities provided by the Directorate to build a successful future. Remember, success stems from consistent effort, adaptability, and an unwavering passion for learning.

Together, let us advance agriculture through innovation, commitment, and collaboration. I am confident that our students will exceed expectations and leave a lasting impact in their chosen careers.

Wishing everyone success and fulfillment in all their endeavors!

With warm regards,
Dr. Bhanu Prakash Mishra

Dear Students, Faculty, and Esteemed Recruiters

Warm greetings from the Placement Cell of the Directorate of Training and Placement, Banda University of Agriculture and Technology, Banda!

It is my pleasure to welcome all stakeholders of our placement ecosystem. At BUAT, we aim to nurture skilled professionals by fostering academic excellence, industry exposure, and personal growth.

The Placement Cell bridges the gap between students and the corporate world by empowering them with essential skills, knowledge, and confidence. Through structured training programs, industry interactions, and career counseling, we ensure students are prepared to tackle challenges and seize opportunities.

We deeply value our recruiters for recognizing the talent of our students, and your trust motivates us to strive for greater excellence. To our students, I encourage you to fully utilize the resources and guidance offered to build a successful career.

Together, let's create an ecosystem that builds impactful careers and contributes to society.

Wishing everyone a fulfilling and successful journey ahead!

With warm regards,
Dr. Abhishek Kalia

Dear Students, Faculty, and Stakeholders

Greetings from the Human Resource Development Cell of the Directorate of Training and Placement, Banda University of Agriculture and Technology, Banda!

At BUAT, we believe human resource development is vital to institutional success. The HRD Cell fosters personal, academic, and professional growth, ensuring holistic development for all.

Our mission is to bridge potential and achievement through training programs, skill workshops, and industry-academic collaborations, empowering students and faculty to excel in a dynamic world.

Students, we are here to help you discover your strengths and prepare for future challenges. Faculty, we are committed to supporting your professional growth and knowledge transfer.

We thank our partners for their continued support. Together, let's inspire excellence and make BUAT a hub of learning and innovation.

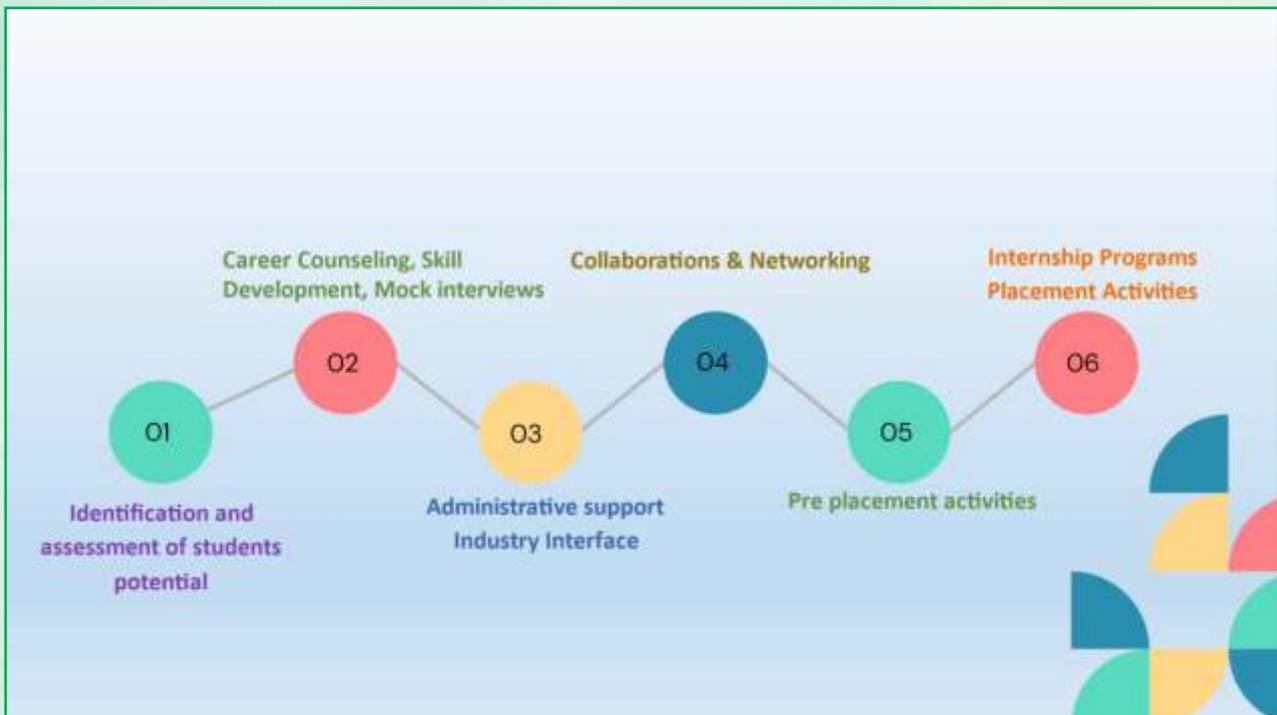

Wishing everyone success and growth ahead!

With warm regards,
Dr. Arjun Prasad Verma
Incharge,
Human Resource Development

Our Goals & Objectives

1. To motivate students to develop technical knowledge and soft skills in term of career planning and Goal setting
2. Identify and provide quality internship and training opportunities that align with the academic curriculum, giving students practical exposure.
3. Developing the students to meet the industries recruitment process.
4. Organize skill development programs, workshops, and training sessions to equip students with industry-relevant skills and keep them updated on emerging trends.
5. Aiming to place the maximum number of students through on campus & off-campus interviews conducted by the top companies.
